86TH HAWAII REGIONAL CONVENTION 2023 NUGGET #1

Aloha Y Service Club Members and Guests,

I love Hilo! Not only did I meet my birth father's family in Hilo, but July 1st, has been 16 years since I moved from Kona, and I have no regrets! In 2006, really, a traffic jam was five cars stopped at a traffic light. In Hilo Walmart is where you hear keiki speaking to their parents in Hawaiian, where the local cashier calls you, 'uncle' with respect and reverence. Hilo is waking up to the beauty of Mauna Kea or feeling the *kanilehua* – mist-like rain on your face. Come to Hilo! Come to Convention 2023!

DID YOU KNOW?

BEST SUSHI IN HILO

Takenoko Sushi

RESERVATIONS ONE YEAR IN ADVANCE.

Hands down this sushi is the best. It tastes like it came straight out of Japan. Which it did! All the fish comes straight out of Japan and caught the day before. It tastes so good, but I had to wait 9 months before I could dine here. This was so good. 5-star rating! ***Make your reservation today for May 2023!***

Home of the Loco Moco

In 1949, it was reportedly created at Lincoln Grill restaurant in Hilo by teenagers from the Lincoln Wreckers Sports club wanting something quick and inexpensive that wasn't a sandwich. The owner's wife put some rice in a bowl topped it with hamburger, gravy, and egg. It was named after one of the teens who went by the nickname "Crazy" who suggested loco, Spanish word for crazy. Moco was added because it rhymed and sounded good.
