## President's Message

Aloha Club members. Wow, it's already November! Can't believe we've been in this Covid pandemic for over 7 months. I wonder how it will affect the holiday season. I'm glad that the club has decided to continue the holiday dinner for the residents, it should be good for both the club and the Y. It'll be nice to actually do a physical project. The Y's long term residents really look forward to this event, it a nice way to start the holiday season for them.

Looks like the next time we meet via ZOOM, we'll have the results of the 2020 election. I hope you all did your civic duty and cast your ballot (it was so easy to just mail in). Hopefully 2021 will be kinder to us than 2020. *Aloha, Troy*

## Club Activities

Members decided at the last meeting to put on the annual Central Y Residents Holiday Meal again on Monday November 23, 2020. In order to avoid physical contact it was decided to make it a "grab and go" meal using bentos. **Garret** was tasked to research a source restaurant. . . Since the Endowment Dinner was cancelled this year, the club decided to recognize our current honoree, Metro Y CEO **Mike Broderick**, at the annual Regional convention in May 2021. Rather than select another honoree for 2021 members decided to simply donate \$120 to the Endowment Fund. In new business, **Garret** suggested an update to the local cookbook that the club put together a few years ago as a fundraising project. Could be a winner since so many people are cooking at home during the pandemic. Next meeting is Monday November 9, 2020 via Zoom from **5pm to 6pm**.

## Brotherclub News:

The **Bendigo Golden City Bulletin** reports that, as Covid-19 restrictions continue to ease, it has been great to be able to open the Book Bin again and resume book sorting. In the first week a considerable number of books came in and these were all sorted and boxed on our first day of sorting for about five months. It is hoped that we can have a small book sale this month over a weekend in the lane beside the stadium which would give us some much needed funds and also reduce the number of books that are currently in storage in the garage... The **Helena Capital-Y-ze News** updated its article from October concerning the YMCA which is now providing child care for the City and County at the Exhibition Hall of the fairgrounds in addition to Distance Learning.

## November Focus: Brotherhood Fund

The Brotherhood Fund began in 1931. Its initial purpose was to promote our movement outside North America and to enable Y's Men from other areas to attend International Conventions. As the name suggests, its purpose is to strengthen the brotherhood of Y's Men throughout the world, still partly by enabling Y's Men to attend Area and Regional Conventions but also by enabling them to visit distant Regions. The fund also sponsors a variety of grants as well as supporting newly chartered clubs in remote locations, leadership development and Youth activities.

**Virus Rules Update** The City and County of Honolulu continues its reopening "strategy" for O'ahu: We are now in Tier Two: You'll be happy to learn that five unrelated people can now both meet on the beach AND eat together! Gyms have reopened but are restricted to 25% occupancy. Team sports are still forbidden although you can get friends together for an impromptu basketball game BUT with only two and a half players per side. On a bright note impromptu drive in theaters are making a comeback at malls and other location ☺.

## Humor from the pandemic

The dumbest thing I've ever bought was a 2020 planner ... Okay, the schools are closed. So, do we drop the kids off at the teacher's house or what? I stepped on my scale this morning. It said: "Please practice social distancing. Only one person at a time on scale". Want to hear a corona virus joke? Can't tell you..you might spread it...

#### THE SAFEST PLACE

Life's storms come in many forms ... Amid life's unpredictable storms, Scriptures point us to the safest place: "God is our refuge and strength, (Psalm 46:1-2) an ever-present help in trouble. Therefore, we should not fear, though the earth give way" == Psalm 46:1-11
